

MAT Program Organizational Chart

Curriculum & Advising	Field Placements & Supervision	Graduate Office
<p>Coordinator Melanie Landon-Hays, PhD., haysm@wou.edu (oversees MAT program, its curriculum and implementation of EdTPA; makes schedule; primary advisor to all students)</p> <p>Professional Seminar Leaders (ED 656, ED 657, ED 658, ED 659) Various professors in the ED program; one professor assigned to each cohort for all four seminar classes. (oversees and manage professional projects; supervise and teach EdTPA components holistically; provide ongoing support)</p> <p>Various Professors and Instructors (all other ED and CSE coursework that is not field based) Professors and instructors for the MAT coursework vary by term and by expertise. They are aware of overall program curricular requirements and work together to provide a rigorous and cohesive curriculum that prepares MAT students to be effective teachers and to pass all required work for initial licensure (EdTPA).</p>	<p>Director and Field Placement Coordinator Zigmond Derochowski, M.A. derochowskiz@wou.edu (oversees field placements, makes connections with schools, oversees supervisors and places MAT teacher candidates and other clinical experiences, coordinates MAT admissions process)</p> <p>Various Field Supervisors (ED 609, ED 616, ED 697 & other practicum requirements) Supervisors for the MAT field placements vary by student and placement location. They are aware of overall requirements for field placements and their alignment with licensure. Field supervisors will assist with EdTPA tasks prior to official submission, and lesson planning and field placement requirements. They will serve as the point of contact person for the teacher candidate and their mentor teacher, as well as for WOU Field programs, conducting observations as required.</p>	<p>Director Linda Stonecipher, PhD., stonecl@wou.edu (oversees graduate office requirements toward granting the Master's Degree)</p> <p>MAT Contact Persons -Amber Deets, M.S. deetsa@wou.edu</p> <p>(keep students informed of graduate office requirements and deadlines, oversee exit option fulfillment—professional projects, grant overload petitions, and handle any other petition related to continued study if a student ends up on probation)</p> <p>-Kristen Larson, MAT larsonk@wou.edu</p> <p>(handles all admissions procedures)</p>
