2. Other Business

- Alternative Admissions Route
 - Policy was approved at graduate committee, faculty senate, rejected at provost's office
 - Putting it through again as "new" isn't going to be productive, need a different discussion
 - Provost's letter outlining objections
 - Appeals process?? Negotiation leading to a new proposal?
 - Bring to executive committee (Faculty Senate) to put it back on the agenda
 - The faculty senate executive committee reviewed this request and have invited Provost Winningham to talk with Tad and Melanie and seek a resolution that will honor the work of the committee
 - The change in faculty senate executive committee has made a delay in this meeting, but we're hoping to meet prior to Winter Term as there are students who are seeking this alternative admission in January
 - *Action Item: Recommendations from the graduate committee on options for expediting this?*

- Update on the Graduate Studies committee PLC
 - Tad, Adele, Maria...
